

Turf Type Tall Fescue/Kentucky Bluegrass/Perennial Ryegrass Mixture – 88% [Firecracker LS](#), [Spyder LS](#), [Firenza](#) and [Inferno](#) Turf Type Tall Fescue, 7% [Blue Chip Plus](#) and [Everest](#) Kentucky Bluegrass and 5% [La Quinta](#) Perennial Ryegrass

Characteristics

- Superior ratings from the [National Turf Evaluation Program](#)
- Extremely wear tolerant once established
- Excellent low growing dwarf characteristics
- Superior low maintenance performance
- Good disease resistance
- Adapted to a wide range of turf uses
- Blue Chip Plus and Everest Kentucky Bluegrasses provide a better knitted turf
- [Lateral Spread Technology LS™](#) provides greater potential stand density, particularly under stress and self recuperation from traffic, thinning or injury

Seeding Information

Seeding Rates:

New Seeding: 10 Lbs per 1,000 Sq. Ft.

Over-seeding: 5 Lbs per 1,000 Sq. Ft.

Over-seeding High Use Areas: 12 Lbs per 1,000 Sq. Ft. at weekly/monthly intervals as needed

Seeding Dates: March – May, August – October **Dormant Seeding:** December – March

Germination Times: Per. Rye – 4-7 Days Fescues – 5-7 Days Bluegrasses – 10-21 Days

Uses

Super Turf II LS is a mixture of the very best of the new lower growing (dwarf) turf type tall fescues. Varieties selected score at the very top in the NTEP trials for turf quality, wear tolerance, low maintenance performance, leaf texture, endophyte enhancement and disease resistance, especially brown patch. Blue Chip and Everest are unique types of Kentucky Bluegrasses, which provides the knitting effect of the Kty. Bluegrass rhizomes but are non aggressive and will not compete with the tall fescue. The addition of a small amount of endophyte perennial ryegrass serves a two-fold purpose. It provides natural insect resistance and acts as a nurse crop to promote establishment of the tall fescue. *Super Turf II LS* can be used in all aspects of the turf industry. Generally recommended in areas where supplemental water is available, although *Super Turf II LS* will adapt well to low maintenance areas.

This certified blue tag is your guarantee of variety and quality
